

FCM Frederic Capital Management is an established and independent private markets investor based in Düsseldorf and Luxembourg. We pursue a diversified investment approach with the overarching goal of sustainable long-term growth in the value of our direct and indirect investments.

To meet this goal, we invest in the private market asset classes Private Equity, Infrastructure and Private Debt.

We are currently recruiting for the position of

Intern (m/w/d) - Private Equity

Key Responsibilities

- Contribute to the origination, evaluation and execution of private equity investments
- Conduct quantitative analyses (e.g. market-, track record analyses and fair market valuations) and qualitative analyses alongside due diligence processes
- Participate in the preparation of investment proposals and presentations
- Conduct research on the private equity landscape and market developments
- Contribute to the monitoring of the existing portfolio and assist in the preparation of investor reports

Candidate Profile

- Minimum of four semesters studied in business, economics or natural sciences
- Internship experience in financial services, ideally private equity, investment banking, corporate finance, strategy consulting or transaction services
- Rapid comprehension of complex tasks and the ability to work independently, diligently and collaboratively in a team environment
- High degree of commitment and motivation
- Proficiency in MS Office
- Strong English and German communication skills (spoken and written); further foreign languages desirable

What we offer

- Comprehensive insights into the private equity investment process
- Engaging tasks with high levels of responsibility
- Growth opportunities within a performance-oriented environment
- A modern workspace in the heart of Düsseldorf CBD with good transportation links

You bring a high degree of commitment and enthusiasm and like to work in a team?
Then we would be delighted to get to know you!

Please forward your application documents to hr@fcm-invest.com.
